PARTNERSHIP IN THE PROVISION OF EDUCATION

12) This Agreement recognises the desire of the parties to foster the development and provision of high quality education in particular at the Academy and in the area which it serves and the parties acknowledge the commitment being made by each to this aim. Recognising the Trustees' and the Diocesan Authority's respective strategic roles in the provision of education through its family of Church of England schools both in relation to the Academy and more generally (which role has been acknowledged in but is not derived from the Education Acts (as defined pursuant to the Education Act 1996)), the Secretary of State acknowledges the value of :

(B) to maintain an open and frank dialogue with the Trustees and Diocesan Authority so that any matters that in the reasonable opinion of the parties may have a significant effect on the running of the Academy as a Church of

England school shall be discussed in an appropriate manner recognising each party's viewpoint.

13) Provided that, whilst recognising the desire of the parties to work together in good faith and with mutual respect, nothing in this Agreement shall:

a) interfere with the right of each party to arrange its affairs in whatever manner it considers fit in order to perform its obligations under this Agreement in the manner in which it considers to be the most effective and efficient;

b) oblige any party to incur any additional cost or expense or suffer any undue loss in the proper performance of its obligations under this Agreement;

b) facilitate the following:

i) at the Company's expense the maintaining of insurance of the land by the Company in the joint names of the Company and the Trustees with a reputable insurance office against loss or damage by the Insured Risks in the sum the Company is advised represents the reinstatement value of the Land from time to time;

ii) the payment of the premiums for insurance by the Company promptly as they become due and maintaining in force by the Company of the policies of insurance on the Land;

iii) following the incidence of damage to or destruction of the Land and subject to receipt of all necessary consents licences permissions and the like the application of the proceeds of the policy of the insurance received for those purposes in the rebuilding and reinstating of the Land by the Company (provided that this clause should be satisfied if the Company and/or the Trustees provides premises not necessarily identical to the Land as the same existing prior to such damage or destruction occurring) as soon as may be reasonably practicable;

iv) the production by the Company to the Secretary of State of a copy of the insurance policy whenever reasonably requested and the receipt for the last or other evidence of renewal and up to date details of the amount of cover (but no more often than once in any period of 12 months in both cases);

v) the Company insuring against liability in respect of property owners' and third party risks including occupiers liability;

c) together with the Company not knowingly do anything whereby any policy of insurance relating to the Land may become void or voidable; and

the Company will:

d) keep the Land insured in the joint names of the Company and the Trustees with a reputable insurance office against loss or damage by the Insured Risks in the sum

h) not knowingly do anything whereby any policy of insurance relating to the Land may become void or voidable;

i) insure against liability in respect of property owners' and third party risks including occupiers liability.

15) While the Academy operates from the Land or part of it pursuant to a lease between the Trustees and the Company in so far as clause 14 regulates occupation the terms of the lease shall prevail.

16) In the exercise of any discretion that the Secretary of State shall have either in relation to the Land as a consequence of this agreement or pursuant to Schedule 1 of the Academies Act 2010, the Secretary of State agrees to comply with any guidance issued by him in relation to the disposal of publicly funded land that is no longer to be used for the Academy.

17) In relation to any land owned or leased by the Company (excluding any land leased to the Company by the Trustees, the Secretary of State agrees not to give consent to any disposal or grant of security in respect of such land to the Company as envisaged in the Supplemental Funding Agreement without first consulting the Trustees and the Diocesan Authority and having due regard to any concerns expressed by the Trustees and the Diocesan Authority.

CAPITAL GRANTS

18) The Trustees and the Diocesan Authority acknowledges the Secretary of State's power to pay Capital Grant to the Company and in recognition of the Trustees' and the Diocesan Authority's interest in any Capital Grant paid in relation to expenditure on Land, the Secretary of State commits to the following:

a) to acknowledging the Trustees' and the Diocesan Authority's right to consent to the carrying out of any works to Land which are to be paid for from any Capital Grant;

b) to recognise the Trustees' and the Diocesan Authority's interest in ensuring that any works to Land are carried out properly and that the Trustees and Diocesan Authority may be procuring or providing support to the Company in the procurement of such works.

19) To the extent that the Secretary of State considers it necessary, in order to protect the value of any future public investment in the Land and in recognition of the Trustees and the Diocesan Authority allowing the Land to be used for the purposes of the Academy, then the Secretary of State may require the Company and the Trustees and the Diocesan Authority to enter into a further agreement in relation to such further public investment and Capital Grant. If the Secretary of State determines such further agreement is required, then the parties agree to negotiate in good faith with a view to reaching agreement to enable such Capital Grant, and future public investment, to be paid.

INTERVENTION AND SUPPORT

20) The Trustees and the Diocesan Authority acknowledge the Secretary of State's right to terminate either the Supplemental Funding Agreement or the Master

Funding Agreement in the circumstances envisaged in the Funding Agreement. The Secretary of State agrees with the Trustees and the Diocesan Authority before taking any such action and in particular serving any Termination Warning Notice to notify the Trustees and the Diocesan Authority that he intends to take action giving his reasons for such action and to allow the Trustees and the Diocesan Authority a reasonable opportunity to make representations regarding such action, including any actions that the Trustees and the Diocesan Authority intend to take to remedy any failing of the Academy, which the Secretary of State will have due regard to before finally taking any action.

20A) Without prejudice to the generality of clause 20 above, to the extent the Secretary of State has concerns as to the suitability of a member of the Academy Trust (the Relevant Appointee), the Secretary of State will notify the Diocesan Authority of his concerns before exercising any available remedies in respect of the Relevant Appointee under the Funding Agreement.

20B) As soon as possible following the Secretary of State providing notification under clause 20A, the Secretary of State and the Diocesan Authority will meet to discuss the Secretary of State's concerns. The Diocesan Authority agrees to provide any further information on the Relevant Appointee which is reasonably requested by the Secretary of State and:

(a) the Diocesan Authority acknowledges that the Secretary of State may, in his absolute discretion, carry out any additional due diligence on the Relevant Appointee and agrees to act reasonably in co-operating with any requests for assistance by the Secretary of State; and

(b) the Secretary of State agrees to share any information of concern with the Diocesan Authority and to consult with the Diocesan Authority as to what remedial action should be taken in respect of the Relevant Appointee.

20C) To the extent the Diocesan Authority agrees that the Secretary of State's concerns regarding a Relevant Appointee have merit, the Secretary of State acknowledges that the Diocesan Authority may, in the first instance, determine what remedial action to take in respect of that Relevant Appointee before the

Secretary of State exercises any available remedies under the Funding Agreement.

20D) If the Diocesan Authority does not agree with the Secretary of State's concerns regarding a Relevant Appointee, or the Diocesan Authority (in the Secretary of State's opinion) unreasonably delays taking remedial action or does not otherwise (in the Secretary of State's opinion) take appropriate remedial action, the Secretary of State shall issue a notice under the Funding Agreement requesting that the Diocesan Authority reconsiders its approach, together with any further supporting information of concern.

20E) To the extent the Diocesan Authority does not reconsider its approach, or otherwise does not take remedial action to the Secretary of State's satisfaction, the Secretary of State reserves the right to exercise any available remedies available to him under the Funding Agreement.

20F) Notwithstanding clauses 20D and 20E, the Secretary of State acknowledges and agrees that the decision to remove a Relevant Appointee is the sole responsibility of the Diocesan Authority.

21) Not used.

22) In the spirit of partnership, where the Trustees and/or the Diocesan Authority puts forward a school improvement plan, whether or not in the circumstances envisaged in clause 20, the Secretary of State will consider any proposals within it and in good faith will consider any resource or funding implications, without, for the avoidance of doubt, being under any obligation pursuant to this Agreement to agree to fund such proposals.

23) The Secretary of State agrees to meet the costs of any relevant statutory denominational inspection proposed by the Trustees and/or Diocesan Authority provided these do not occur any more often than once every three years.

23A) Not used.

23B) Not used.

23C) Not used.

23D) Not used.

23E) The parties acknowledge that clauses 2.24 and 2.25 of the Funding Agreement apply to all academies. They explicitly require that pupils are taught about the theory of evolution, and prevent academy trusts from teaching 'creationism' as scientific fact.

23F) 'Creationism', for the purposes of clauses 2.24 and 2.25 of the Funding Agreement and clause 23E above, is any doctrine or theory which holds that natural biological processes cannot account for the history, diversity, and complexity of life on earth and therefore rejects the scientific theory of evolution. The parties acknowledge that Creationism, in this sense, is rejected by most mainstream Churches and religious traditions, including the major providers of state funded schools such as the Anglican Churches, as well as the scientific community. It does not accord with the scientific consensus or the very large body of established scientific evidence; nor does it accurately and consistently employ the scientific method, and as such it should not be presented to pupils at the Academy as a scientific theory.

23G) The parties recognise that the teaching of creationism is not part of prevailing practice in the English education system, but acknowledge that it is however important that all schools are clear about what is expected in terms of the curriculum which they need to provide. The parties further recognise that the requirement on every academy and free school to provide a broad and balanced curriculum, in any case prevents the teaching of creationism as evidence based theory in any academy or free school.

23H) The Secretary of State acknowledges that clauses 2.24 and 2.25 of the Funding Agreement, and clauses 23E and 23G above do not prevent discussion of beliefs about the origins of the Earth and living things, such as creationism, in Religious Education, as long as it is not presented as a valid alternative to established scientific theory.

TERMINATION

24) The Trustees may give not less than two years written notice to the Company and the Secretary of State to terminate this Agreement.

25) In the event of any termination of either the Supplemental Funding Agreement or the Master Funding Agreement in circumstances where the Academy would not otherwise be closing, the Secretary of State will have due regard to any wishes of the Trustees and/or the Diocesan Authority with regard to the future of the school as a "voluntary" maintained school for the purposes of the School Standards & Framework Act 1998.

26) Notwithstanding any termination or expiry of this Agreement the provisions of clause 25 shall continue to apply.

MISCELLANEOUS

27) Any notice or other communication concerning this Agreement shall be sent, in the case of a notice or communication from the Secretary of State to the Trustees and/or Diocesan Authority at its registered office or such other addressee/address as may be notified in writing from time to time by the Trustees and/or Diocesan Authority and, in the case of a notice or communication from the Trustees and/or Diocesan Authority to the Secretary of State to Head of Academies Division, Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT; or such other address as may be notified from time to time by the Secretary of State and where any such notice or communication is sent by post, unless the contrary is proved, it shall be deemed, subject to satisfactory proof of posting, to be effected at the time at which the letter would be received in the ordinary course of post.

28) No term of this Agreement is intended to give any entitlement as against any party to any person who is not a party to this Agreement and no term of this Agreement may be enforced by any person other than a party under the Contracts (Rights of Third Parties) Act 1999.

29) The obligations of the parties are several and for the avoidance of doubt none of the Company Trustees or Diocesan Authority shall be deemed to be liable in

respect of the acts or omissions of the other as between these parties and the Secretary of State.

30) For the avoidance of doubt nothing in this Agreement is intended to vary or amend any provision of the Funding Agreement or any obligation arising under it.
